Private/Executive/CEO

RISING STAR MOTORCOACH is a full-service limousine manufacturer that offers custom fabrication and maintenance of professional vehicles and limousines. We have specialized in providing services for the custom limousines and transportation industry for over 12 years.

We use only highest-grade materials and equipment, which allow for quality craftsmanship. All products used as well as production technologies are certified to their highest degrees and ensure maximal reliability and safety standards. Our industrial designers, engineers and technicians all have the necessary qualifications, certifications and relevant industry experience in order to ensure that our limousines are truly at the top of their class.

Whether you are looking to purchase new or used, there are a variety of ways we can guide you in the right direction.
